NORTH SHORE OUTBOARD BOATING CLUB INC.

1st August 2009

2009 has been a “rethink” period for the 56 members of our club!

One or two have “dropped” the “outboard boating” altogether and enjoyed longline fishing with torpedoes (very effective) or fishing from canoes or kayaks with quite rewarding results! Even rowing their own boats – not too difficult with 8ft 'allis.

Club Members have now decided they are bored with the meeting rooms of the last 20 years and a “new” site is being decided upon at the AGM next Tuesday!

We had a very good '08 Xmas party at Bucklands Beach with muso's and dancing etc and a mid-year party done much the same and enjoyed by 30+

A mystery bus trip is on tomorrow 40 taking part!

Another (overnight) Car Rally arranged for later in the year is filling quickly 40+ taking part.

OBC Auckland is combining with Hibiscus Coast to try to clean NSOBC up in a fishing contest (no chance) and they will return the Searchlight Trophy (Burnsco ex Auck OBC Clubrooms) on the 10th of October.

Further confirmation at the DEC Meeting in December.
